2020

## Introdução

Este trabalho consiste em um ensaio composto por 64 imagens resultantes de uma pesquisa aprofundada dos meios e técnicas fotográficas analógica e digital. As imagens foram produzidas entre os anos de 2017 e 2020 nas cidades de São Paulo, Rio de Janeiro, Curitiba, Newcastle, North Wales, Castleton, Bruxelas e Amsterdam.

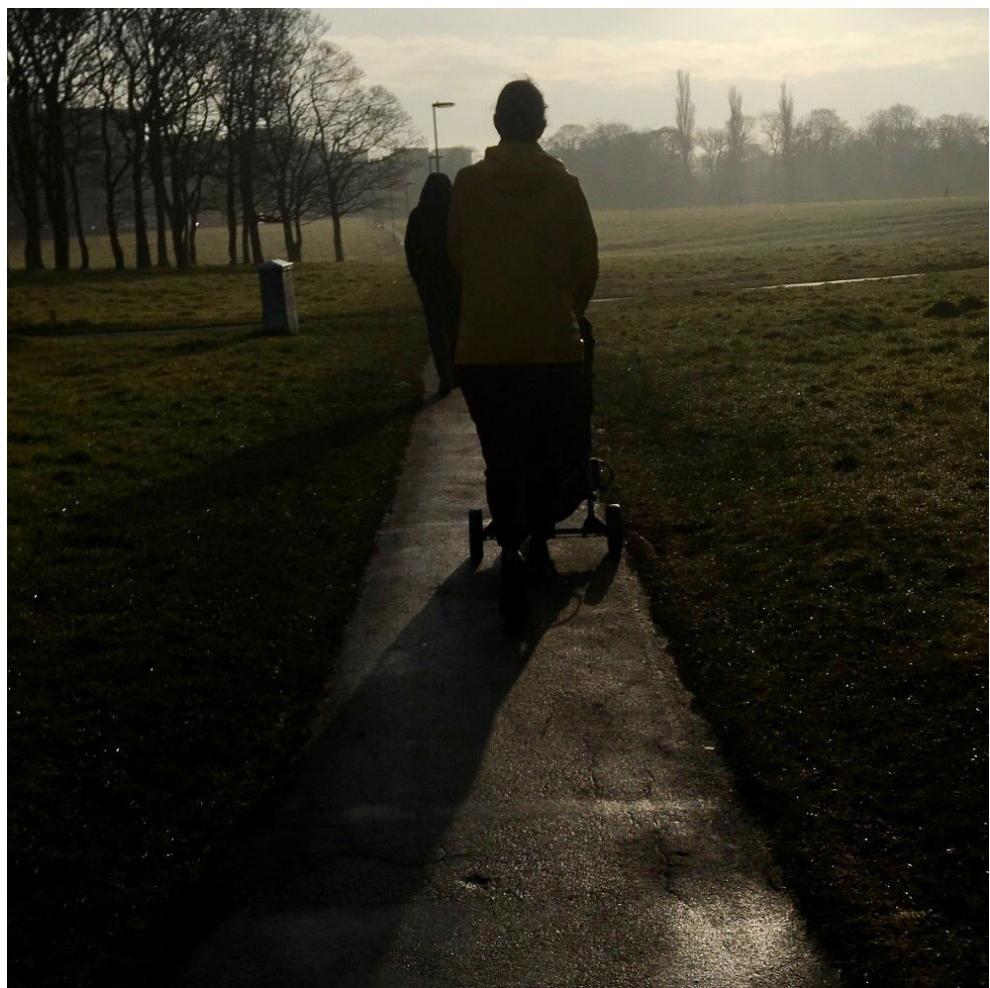

O projeto tinha como objetivo final a apresentação das fotografias impressas em papel fotográfico fine art Photo Rag Baryta nas medidas de 10x10cm cada, que por sua vez seriam acondicionadas em caixa de acrílico transparente nas medidas de 10,5x10,5x3cm. Porém, em virtude das restrições impostas pela pandemia do Covid-19, a defesa do TCC ocorreu de forma online e as fotografias disponibilizadas para apreciação da banca examinadora e demais interessados no endereço: [www.kjeucken.com](http://www.kjeucken.com).
